UPLOAD PHOTO: Photo Quality:
1. Be sure the resolution of the photo is at least 300 dpi or higher.
2. Be sure you shake some grain to get a picture with your horse's ears up.
3. Be sure you take the photo in plenty of natural sun light.
4. Try to take a photo that depicts the horse's personality and relationship to people.
5. If you take the photo of the horse's head only, take the photo of the horse's head from the neck up to ears or smaller, either take a head on or a side view of the horse's head and try to get a photo with nothing on the horse's face, no bridal or halter.
