## Re-Homing Agreement

SYVTRP's top priorities are student safety and horse care. In accordance with this, when a horse is re-homed for any reason the new owner must comply with the following.

SYVTRP does NOT re-home a horse to first time horse owners. New owners agree that they have owned a horse before.

Potential adopters/purchasers must visit our organization and be observed with the horse on site.

SYVTRP conducts a site visit of the adopter/purchaser's facility before the transfer of the horse to the adopter/purchaser's facility.

Potential adopters/purchasers are encouraged to do a short-term, on-site foster with the horse.

Adopters/purchasers can return a horse to our organization free of charge.

Re-homed horses CAN be sold or given away with prior written approval of SYVTRP.

If there is any breach of contract the horse must be returned to SYVTRP.

SYVTRP reserves the right to make scheduled visits to see the horse within the first year of adoption/purchase.

Adopters/purchasers are required to provide updates (photos, vet records) for two years.
