THIS AGREEMENT is made on this _____ day of _____, 20_____

By and between _____, hereinafter referred to as the "adopter" and The Barn for Equine Learning, hereinafter referred to as "the organization". Adopter agrees to pay the adoption fee of \$_____.

1. Adopter understands and agrees that the equine identified in this contract may not be sold, given away, lent, leased, sold for slaughter, removed from Adopter's personal supervision and control or removed from the address described herein, except for emergencies, shows, trail rides and other temporary situations without written approval of the Organization. Any individual or organization in possession of the equine as of the date of the agreement and any time thereafter is bound to not sell the equine at auction for slaughter or allow the equine to be sold, transferred, released, or otherwise placed into possession of any person or organization that will cause or allow the equine to be sold at auction for slaughter. Should the equine not be at the location as stated herein upon inspection by the Organization representative, Adopter will immediately relinquish any rights or interest Adopter may have in the equine.

2. Adopter agrees to meet the Organization's standards of care for said equine, maintaining good nutritional health, vet care, vaccinations, worming, dental care and hoof care.

3. Should the Adopter decide that the equine is no longer wanted for any reason, Adopter understands that the Organization must be contacted before any alternative action is taken.

4. Adopter agrees that for up to one year following the adoption, an authorized representative of the Organization may enter the property where the said equine resides during normal business hours and with or without notice to determine if all conditions of this adoption contract are being complied with completely. Adopter understands that should a violation of any of these terms found in this agreement be found and in the judgment of at least two members of the Board of Directors of the Organization such conditions represent a danger to the health and welfare of the equine, Adopter hereby authorizes a representative of the Organization to enter the property at any time and without cause or warrant upon the land where said equine resides and take immediate physical possession of said equine without recourse from Adopter.

5. Adopter further agrees that, Adopter will accept all responsibility for any action or lien resulting from any action, directly or indirectly involving said equine while it is in Adopter's possession and under Adopter's care and control. Therefore, Adopter agrees and understands that neither the Organizations nor its employees or agents will be liable for any damages or injury caused to Adopter or any third party person by the equine once Adopter receives delivery of the equine, including but not limited to damages or injuries caused by the fact that the equine does not behave or perform in the manner Adopter expected. Further, if any third party person makes a claim against the Organization or any of its employees or agents as a result of any conduct of the equine after Adopter has taken possession of the equine, Adopter agrees to indemnify and hold the Organization, its employees and agent harmless from any such claims, including costs and attorney's fee resulting from such claim.

6. Adopter represents that they have read and agree with all statements and agree to be bound by all conditions contained herein and signed by Adopter.
